Dunedin, New Zealand

Personal Statement

While still currently studying my bachelor of IT degree I am eager to get to work and prove my worth. Although rather reserved when talking about personal attributes I understand I have a keen eye for detail and a strong desire to never disappoint myself or my employer. I have had experience in working within a few industries that have helped me attain a plethora of customer service and time management skills leading to a proficient and versatile work ethic. I also possess NZ Class 1 and 6 Full licenses, OSH (forklift) certificate and my own transportation.

Interests and Hobbies

I am an active person that loves to spend my free time in the gym or working on my Motorbike. Whilst I'm not studying I try to keep up to date in my programming and hardware Skills whilst mucking around with various Linux distributions and node servers and projects.

Work History
